In our restaurant „KiM's Norderstedt“ directly at the fire brigade museum we have space for up to 60 people. In our „a la carte“ restaurant we offer a fiery fresh menu, with classics and modern dishes and drinks for young and old. Roast beef with fried potatoes and remoulade, accompanied by a freshly tapped Zwickl or a strong red wine to go with the spicy Asian „fire pot“ of venison? Our classics remain, the changing menu is adapted seasonally and as regionally, creatively and freshly as possible. Have we piqued your interest? Feel free to drop by for a cool drink. We look forward to seeing you!
